9. Manual Entry. Players may convey their number selections to any Sales Retailer to obtain a Game Ticket. Number selections shall be manually entered into the Terminal by the Sales Retailer.
10. Quick Pick. Players may either request a Quick Pick Game Ticket from a Sales Retailer or may select the Quick Pick option on the Playslip and submit the completed Playslip to any Sales Retailer. Quick Pick shall be differentiated from Customer Select in that Quick Pick shall refer to the random selection of numbers made by the Terminal Gaming System rather than by the Player.
11. Customer Select. Players may select their own numbers by completing a Playslip or by conveying their number selections directly to any Sales Retailer. Customer Select shall be differentiated from Quick Pick in that Customer Select shall refer to number selections made by the Player rather than the Terminal Gaming System.
12. Replay Feature. If available in a Party Lottery jurisdiction, Players may utilize the barcodes of already-purchased Game Tickets to duplicate another Game Ticket of the same price and with the same number selections and options. To replay, Players may either make the request of a Sales Retailer or may scan the barcode directly into a PAT or SST, if authorized.
13. Advance Action or Multi-Draw. Game Tickets may be purchased for multiple future Drawings, if available in a Party Lottery jurisdiction.
14. Subscriptions or Season Tickets. Game Tickets may be purchased by subscription, if available in a Party Lottery jurisdiction.
15. Limited to Highest Prize Won. In connection with the Winning Numbers drawn, the holder of a winning Game Ticket may win only one (1) prize per Play, board or panel, and shall be entitled only to the prize won by those numbers in the highest matching prize category.
16. Prize Claim Period. The prize claim period shall be determined by each Party Lottery.
17. Player Responsibility. It shall be the Player's sole responsibility to verify the accuracy of the Game Play (or Plays) and the other data printed on the Game Ticket. The placing of Wagers is done at the Player's own risk through the Sales Retailer.
18. Prize Payments. A Party Lottery may not pay prizes that are less than or more than the prize amounts established in these Official Game Rules. The prize won cannot be indirectly increased by promotions or Retailer activity.
19. Group Win of Top Prize or Second Prize. If more than one (1) natural person claims a

single Top Prize or second prize Game Ticket, the claim shall only be paid in a single Lump Sum Cash Payment. No Annuitized Payment Option shall be available.

**PART VII PRIZE LIABILITY LIMITS, PRIZE PAYOUTS AND PRIZE LEVELS.** The following paragraphs and chart define the Game's prize liability limits, prize payouts, prize levels and pool percentages, and chances of winning per prize level.

A. **Prize Liability Limits.** There are 10 prize levels in the Game.

1. Except as provided in these Official Game Rules, the Top Prize (Prize Level #1) shall be annuitized and based on a Top Prize liability that will be split equally among the number of winning Game Tickets. A Top Prize Winner may request the Cash Option, the amount of which is to be established by the New England Lotteries for a defined period of Drawings. Notice of the amount of and changes to the Cash Option shall be posted on the Game's website and/or published in each Party Lottery jurisdiction in a manner determined by that Party Lottery at least thirty (30) days prior to the first Drawing to which it is applicable (the "Published Notice"). Under certain circumstances, as detailed below, the Top Prize is required to be paid in a single Lump Sum Cash Payment and no Annuitized Payment Option is available.
  - a. One (1) Top Prize Winner. If there is one (1) Top Prize Winner, the annuitized prize value will be seven thousand dollars (\$7,000.00) per week for life. As an alternative to the Annuitized Payment Option, the Top Prize Winner may request the Top Prize Cash Option in the amount set forth in the Published Notice.
  - b. Two (2) to Fourteen (14) Top Prize Winners. If there are between two (2) and fourteen (14) Top Prize Winners, the Annuitized Payment Option, based on an annuitized prize value of seven thousand dollars (\$7,000.00) per week, will be divided by the total number of Top Prize Winners. The minimum annuitized prize value for this category will be five hundred dollars (\$500.00) a week for life. Any of these two (2) to fourteen (14) Top Prize Winners may choose the Cash Option as an alternative to the Annuitized Payment Option. The amount of the Cash Option for this category will be the amount of the Top Prize Cash Option set forth in the Published Notice divided by the total number of Top Prize Winners. The minimum Cash Option for this category will be the amount set forth in the Published Notice.
  - c. Fifteen (15) or more Top Prize Winners. If there are fifteen (15) or more Top Prize Winners, the Top Prize liability shall be capped at seven million one hundred twenty-five thousand dollars (\$7,125,000.00), shall be split equally among all Top Prize Winners, and shall be paid in one (1) Lump Sum Cash Payment, without an Annuitized Payment Option. The minimum prize value for this category shall not be less than any lower tier prize paid in that respective Drawing.
  - d. The Winner(s) of the Top Prize who do not request the Cash Option shall be paid their appropriate Top Prize share on a weekly basis, or according to any other schedule of payments set at the discretion of each Party Lottery, as permitted in Part VII Paragraph C of these Official Game Rules, for a minimum period of twenty (20) years. The first Top Prize payment will be made when the prize is claimed at the Selling Lottery's Headquarters. Each Party Lottery shall determine the date that a claim is complete such that payment commences.
  - e. Measuring Life. For a single Wager, the measuring life of a Top Prize Winner used to determine the duration over which the Top Prize is paid, shall be the natural life of the individual determined by the Selling Lottery to be the Top Prize Winner. A Party Lottery's jurisdictional laws will determine whether or not a Minor can claim a Top Prize winning Ticket (either as a Lump Sum Cash Payment or Annuitized Payment Option). In no event shall a Minor's life be the measuring life for the Annuitized Payment Option for the Top Prize. Payment to a Minor for a Top Prize

winning Ticket shall be for a period of twenty (20) years.

- f. If paid in a Lump Sum Cash Payment, Top Prize amounts will be rounded to the nearest whole dollar.
2. Except as provided in these Official Game Rules, the second prize (Prize Level #2) Winner will be paid twenty-five thousand dollars (\$25,000.00) a year for life. A second prize Winner may request the Cash Option, the amount of which is to be established by the New England Lotteries for a defined period of Drawings. Notice of the amount of and changes to the Cash Option shall be posted on the Game's website and/or by each Party Lottery's Published Notice. Under certain circumstances, as detailed below, the second prize is required to be paid in a single Lump Sum Cash Payment and no Annuitized Payment Option is available.
    - a. One (1) to Twenty (20) Second Prize Winners. If there are between one (1) and twenty (20) second prize Winner(s), the annuitized prize value will be twenty-five thousand dollars (\$25,000.00) per year for life. Any of these one (1) to twenty (20) second prize Winner(s) may choose the second prize Cash Option as an alternative to the Annuitized Payment Option. The amount of the Cash Option for this category will be set forth in the Published Notice.
    - b. Twenty-one (21) or more Second Prize Winners. If there are twenty-one (21) or more second prize Winners, the second prize liability shall be capped at nine million four hundred thousand dollars (\$9,400,000.00), shall be split equally among all second prize Winners, and shall be paid in a single Lump Sum Cash payment, without an Annuitized Payment Option. The minimum prize value for this category shall not be less than any lower tier prize paid in that respective Drawing.
    - c. The Winner(s) of the second prize who do not request the Cash Option shall be paid their appropriate second prize share on an annual basis for a minimum period of twenty (20) years. The initial second prize payment will be made when the prize is claimed at the Selling Lottery's Headquarters; subsequent second prize payments will be made annually thereafter. Each Party Lottery shall determine the date that a claim is complete such that payment commences.
    - d. Measuring Life. For a single Wager, the measuring life of a second prize Winner used to determine the duration over which the second prize is paid, shall be the natural life of the individual determined by the Selling Lottery to be the second prize Winner. If the second prize under a single Wager is being claimed by more than one (1) natural person or by a legal entity, the measuring life for that second prize Winner shall be twenty (20) years. A Party Lottery's jurisdictional laws will determine whether or not a Minor can claim a second prize winning Ticket (either as a Lump Sum Cash Payment or Annuitized Payment Option). In no event shall a Minor's life be the measuring life for the Annuitized Payment Option for the second prize. Payment to a Minor for a second prize winning Ticket shall be for a period of twenty (20) years.
    - e. If paid in a Lump Sum Cash Payment, second prize amounts will be rounded to the nearest whole dollar.
  3. Except as provided in these Official Game Rules, the third prize (Prize Level #3) will be paid as a five thousand dollar (\$5,000.00) Set Prize. If there are more than one thousand (1,000) Winners of this prize level in a single Drawing, the total prize liability of five million dollars (\$5,000,000.00) (\$5,000.00 x 1,000) will be split equally among the Winners. Under no circumstances, however, will the value of the third prize fall below a minimum prize value of two hundred dollars (\$200.00) per Winner, regardless of the number of Winners. Third prizes will be rounded to the nearest whole dollar and paid in a single cash payment.

B. **Entitlement to Prizes by Winners.** The holder of a winning Game Ticket shall be entitled only to the prize won by matching the Winning Numbers in the highest matching prize category.

C. **Payment of Prizes.** All winning Game Tickets, including the Top Prize and second prize winning Tickets, shall be paid in accordance with these Official Game Rules and jurisdictional laws. Each Party Lottery shall withhold taxes and other required withholdings in accordance with applicable federal and jurisdictional laws. To be a valid Game Ticket and eligible to receive a prize, a winning Game Ticket shall satisfy all the requirements established for the validation of winning Game Tickets sold through each Party Lottery’s Terminal Gaming System, and any Audit adopted by the New England Lottery Directors. Party Lotteries shall not be responsible for Game Tickets that are altered in any manner.

1. **Top Prize and Second Prize Payments.** Except in the case of a Cash Option payment or a Lump Sum Cash Payment paid in accordance with these Official Game Rules, annuitized prize payments shall be made for the measuring life of the Top Prize or second prize Winner. All annuitized payments shall be made for a minimum of twenty (20) years. The measuring life as defined in Section VII Paragraphs A (1)(e) and A (2)(d) of these Official Game Rules shall be determined at the time the Top Prize or second prize is claimed. In the event annuitized prize payments are assigned, if allowable under jurisdictional law, or assigned by a court order, the measuring life at the time the Top Prize or second prize was claimed shall not change and limit or extend the number of annuitized payments due any assignee, court-ordered or otherwise. In the event of the death of a Top Prize or second prize Winner during the annuity payment period, the Selling Lottery, with the approval of the New England Lotteries, upon petition of the estate of that Winner (the “Estate”) to the Selling Lottery, and subject to the Selling Lottery’s jurisdictional laws, may accelerate the payment of all the remaining lottery proceeds to the Estate.

- a. If the annuitant dies during the annuity payment period but before the guaranteed prize amount has been paid, the Estate shall receive the remaining payments equal to the minimum guaranteed prize amount.
- b. If the annuitant dies during the annuity payment period but after the minimum guaranteed prize amount has been paid, all payments shall stop.

2. **Low-Tier Set Prize Payments.** All low-tier Set Prizes (all prizes except the Top Prize and second prize) shall be paid in one (1) single cash payment through the Selling Lottery that sold the winning Game Ticket(s). Prizes shall be rounded to the nearest whole dollar. A Selling Lottery may begin paying low-tier cash prizes after receiving authorization to pay from the Clearinghouse Lottery.
