VI. PRIZE DETAILS

A. Drawing Prizes

- One (1) winner selected in the Drawing will be awarded a \$30,000 prize.

During the Drawing, thirty-one (31) winners and fifty (50) alternates will be randomly selected from all eligible entries for the Drawing. If a selected winning entry is disqualified, the next eligible alternate will be awarded the prize. The odds of winning a prize in the Drawing depend on the number of eligible entries received for the Drawing.

VII. WINNER ELIGIBILITY, NOTIFICATION & VERIFICATION

- A. Winners will be notified in writing by the CT Lottery. The CT Lottery will send each winner a congratulatory letter via certified mail to the address associated with the winner's CT Lottery 2nd Chance account with instructions for claiming their prize.
- B. In order to claim their prize, winners must submit a completed Eligibility Form, proof of age, and their original non-winning Game ticket to the CT Lottery no later than ten (10) business days after receipt of the congratulatory letter.
- C. As a condition of receiving a prize, the CT Lottery requires the winner to submit a completed Eligibility Form and acceptable proof of age to the CT Lottery. An incomplete Eligibility Form will not be accepted by the CT Lottery. The CT Lottery is under no obligation to notify a winner that their Eligibility Form is invalid. At any time, the CT Lottery may require the winner to present valid proof of identity to confirm that the winner is the registered 2nd Chance account holder that submitted the winning entry and/or that the winner is eighteen (18) years of age or older. A winner who is unable to present valid identification upon request is ineligible to receive a prize.

If the debt is not satisfied, then the winner will be disqualified and the prize will be awarded to the next eligible alternate.
- G. All winners are subject to verification by the CT Lottery and/or SG and may be disqualified if eligibility requirements are not met.
