ADDENDUM #5

Additional Information in Response to Proposer Questions #46 and #49

The CLC provides the following additional information in response to Proposer Questions #46 and #49 as noted in Addendum #3:

Question #46: Appendix C, 2.8 Player UI Components and Integration Services, h. Mobile App development services (page C-8): Is the CLC able to provide statistics regarding the current device usage, split between web, mobile, and tablet?

CT Lottery Mobile App Download Numbers

| IOS Installs | Android Installs |
|-----------------------|-------------------------|
| 173,703 | 241,00 |
| <i>iPhone - 96.5%</i> | <i>Mobile - 97.2%</i> |
| <i>iPad - 3.3%</i> | <i>Tablet - 2.8%</i> |
| <i>iPod - 0.2%</i> | |

Question #49: Appendix C, 4.2 Software Development, i. CLC testing devices (page C-11): Can CLC share a breakdown of current and expected device support, such as what are the current top (80%) devices, operating system version and browsers that customers are using?
